Secretary to the Govt of Mysore, General & Revenue Depts

Sir,

In forwarding for the sanction of Government a copy of the resolution of the Council adopting with certain modifications the revision of the scale of the establishment proposed by the special duty Amildar, I have the honour to state the following.-

The Council are satisfied that it is desirable to alter the existing scale with a view to effecting not only retrenchment but also rendering remunerative the pay of the officials where necessary.

The menial staff.

The Council agree that ordinarily the work of the Collection department can be managed fairly well with a staff of 10 peons and accordingly they approve the Amildar's recommendation to retrench the additional number. They also approve of the proposal to raise the pay of peons from Rs.5 to Rs.6 per mensem. This results in a net saving of Rs.420 per year.

The Mutsaddies.

The Council believe that the present scale of pay of

of the Mutsaddies is too low and that in order to attract competent men to the work, it is desirable to raise the -- scale so that the pay of the last grade mutsaddy may be --- Rs 10. The proposal of the Amildar to make the pay progressive starting with Rs 10 and rising to Rs 15 by annual increments of Re 1-0-0 has not been approved as this would involve too great an expenditure This results in an additional expenditure of Rs 336 per annum

Sheikdars

The Council believe that the present pay viz , Rs 15 is too inadequate to persons expected to do the duties of a distraining officer in a large City like Mysore As a --- distraining officer the Sheikdar must know some thing of the Municipal Regulation and in executing warrants he has to be tactful The Council therefore approve that the scale be raised and the pay rendered progressive beginning with Rs 15 and rising to Rs 20 by an annual increment of Re 1/-, the -- present Sheikdars being given the maximum of the scale viz Rs 20 This results in an increase of Rs 120 per annum

As the result of these charges is an increase of only Rs 56 per annum on the existing scale, I request that Govern -ment be kindly moved to sanction this increase to be met -- from the savings anticipated in the Budget for 1910-11

I have the honour to be,

S i r,

Your most obedient servant,

President
